Fri 9:00 – 13:00

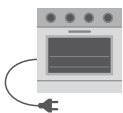

Bring glass to glass containers

Glass bottles and containers with or without the „Green Dot“, separated as white glass and coloured glass: drink bottles, food jars, cosmetic glass jars, etc. (including caps)

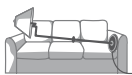

Bring hazardous materials to hazardous waste collection centre / mobile collection point

Batteries, waste oil, energy-saving light bulbs, fluorescent bulbs, paints, photographic chemicals, wood preservative, thermometers containing mercury, cleaning agents, pesticides, thinners, etc.

Bring electrical and electronic waste to collection points or have it collected

Refrigerators, washing machines, electric cookers, vacuum cleaners, mixers, blenders, sewing machines, TV sets, computers, mobile phones, etc. ABK will collect your old electrical and electronic goods by appointment and free of charge: **Book your collection at www.abfall-a.de or call ☎ (04 31) 58 54-0.** The ABK recycling centres, the hazardous waste collection centre and many retailers accept electrical and electronic waste free of charge.

Bring bulky refuse to collection points or have it collected

First make an appointment – then put it out! ABK collects bulky refuse by appointment. **You must however always arrange for a collection by booking at www.abfall-a.de or calling ☎ (04 31) 58 54-0. Your bulky waste will then be collected free of charge.** If you wish to dispose of furniture that is still usable, let us know so that we can arrange for a separate collection. Our recycling centres accept bulky waste to maximum 2 m³ from private households free of charge.
